BUILD
Building Capacities in Innovation
Procurement for Cities

What for? - BUILD Objectives

BUILD aims to address the previous challenges and to unleash the potential of PPI, enhancing PPI adoption in the European Market by:

1. Creating a fertile **platform to encourage collaboration** among public buyers in order to contribute to sustainable development through public procurement (WP2).
2. Spreading **innovative culture** and innovation **knowledge and skills** within public buyers (WP3).
3. **Increasing PPI capabilities of Public Buyers** (WP4).
4. **Linking and establishing synergies** with research and innovation projects funded in EU with a specific focus on the ones fostering PPI (WP5).

Public Buyers
(Mainly cities and regions)

Innovative SMEs and Start-ups

What? (Key Outputs)

- At least **4 events** for buyers and suppliers to share the needs of buyers and find potential market of SMEs for their products and services (**WP2**).
- **The BUILD Insight Report (WP2)**, a dense and deep analysis of Buyers' needs and gaps, a description of the market situation and a plan to coordinate the efforts in preparation of the next phases of the project.
- **The BUILD Value Proposition (WP3)** listing the different ways in which the BUILD project offers **helps and support to the Buyers**, flexible enough to be in line with the strategies of the buyers and their diverse implementation processes.
- A Database with the identified **relevant stakeholders** to involve in the services offered to Buyers (**WP3**)

What? (Key Outputs)

- At least **4 Trainings (WP4)** to Public procurers on "How to procure innovation"
 1. Guiding Principles (Valonia)
 2. Legal Knowledge and Procedures (Rotterdam)
 3. Preliminary market consultation (CE)
 4. Pre-commercial procurement (Turku)
 5. Competitive dialogue (Turku)
 6. Competitive procedure with negotiation (Tartu)
 7. Innovation partnership (Valonia),
 8. Legal questions and considerations (Rotterdam),
 9. Risk assessment (Valonia).
- At least **4 staff exchanges (WP4)** to facilitate mutual learning and cross-dissemination of ideas
- A **final simulation training (WP4)** to evaluate the preparation of the Public Procurers
